**A1 FACADES LTD, a premier UK supplier of decorative cladding and facade systems, is your trusted partner for transforming your property with the timeless beauty and lasting performance of Cedral.** Cedral, a leading name in fibre cement cladding, offers a versatile and low-maintenance solution to elevate the exterior of any building.

[Cedral cladding](#) provides the perfect blend of style and substance, offering the classic aesthetic of natural timber without the associated upkeep. Made from a durable mix of cement, water, and cellulose fibres, Cedral products are engineered to withstand the elements, ensuring your facade remains pristine for years to come. A1 FACADES LTD offers a comprehensive range of Cedral products, including the popular Cedral Lap and Cedral Click systems, to suit both traditional and contemporary designs.

## Why Choose Cedral from A1 FACADES LTD?

- **Versatile Design Options:** Cedral is available in a wide array of colours and two distinct finishes: the traditional overlapping 'Lap' style and the modern, flat 'Click' system. This allows for complete design flexibility, whether you're aiming for a classic or a contemporary look.
- **Exceptional Durability:** Resistant to rot, pests, and the harshest weather conditions, Cedral provides a long-lasting, protective shield for your property.
- **Low Maintenance:** Say goodbye to frequent painting and staining. Cedral's factory-applied colour ensures a vibrant and enduring finish with minimal maintenance required.
- **Expert Supplier:** A1 FACADES LTD is a knowledgeable supplier of Cedral products, offering expert advice and a comprehensive range of cladding, soffits, and fascias to ensure a seamless and professional finish for your project.
